Dear Muhammad,

Re: Continuing Education credits

Thank you for attending the International Cyber Risk Management Conference (ICRMC), March 2-3, 2017. We are pleased to certify that you have earned continuing education credits for your attendance.

Education credits differ for each organization, but I can confirm that for RIBO, the credits allowed are as follows:

Management – 8 hours  
Technical – 2 hours

If you have any questions regarding your credits, please contact me at (416) 368-0777, or by email at [laura.viau@msaresearch.com](mailto:laura.viau@msaresearch.com).

Sincerely,

Laura Viau  
Director, Administrative Services & Event Management
